## **SEARCH MINERALS ANNOUNCES CLOSING OF FINAL TRANCHE OF NON-BROKERED FINANCINGS**

VANCOUVER, March 8, 2011 – Search Minerals Inc. (“**Search**” or the “**Company**”) (TSXV: SMY) is pleased to announce that, further to its news releases issued on December 10, 2010, January 7, 2011 and March 1, 2011, it closed yesterday the third and final tranche of its non-brokered private placement of 3,888,886 units (the “**Units**”) at a price of \$0.45 per Unit for gross proceeds of \$1,749,998.70 (the “**Third Tranche**”). Each Unit consists of one common share of the Company and one transferable common share purchase warrant of the Company (a “**Warrant**”). Each Warrant will entitle the holder to acquire an additional common share of the Company until March 7, 2014 at a price of \$0.70 per share during the first year, \$0.80 during the second year and \$0.90 during the third year.

All securities issued pursuant to the Third Tranche are subject to a hold period expiring on July 8, 2011. No finders fees or commissions are payable in connection with the Third Tranche. The Third Tranche remains subject to final approval of the TSX Venture Exchange.

The proceeds from the Third Tranche will be used to finance the continued exploration of its properties located in the Port Hope Simpson district, Labrador, and for general working capital purposes.

### **About Search Minerals Inc.**

Search Minerals Inc (TSX-V SMY) has a strong and dedicated management team with outstanding capabilities in separate but related mining activities, any of which has the potential to generate significant shareholder value. Search’s mineral exploration team is led by Vice President Exploration Dr. Randy Miller. Dr. Miller is responsible for directing the current exploration programs on Search’s large land position in Labrador. Search also has a technology arm headed up by Dr. David Dreisinger, Chair of Hydrometallurgy at the University of British Columbia in Vancouver, Canada, and a consultant to several major international mining companies. Search’s business strategy is to fund new ideas or concepts in the mineral exploration or metallurgical fields that have low initial costs and high potential.

**Cautionary Statement:**

Certain disclosures in this release with respect to the proposed financings and use of proceeds constitute forward-looking statements that are subject to numerous risks, uncertainties and other factors relating to the Company's operations as a mineral exploration company. Such risks and uncertainties may cause future results to differ materially from those expressed or implied in such forward-looking statements, including risks as to the completion of the financings. Readers are cautioned not to place undue reliance on forward-looking statements. Except where required by law, the Company disclaims any intention or obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

*This press release does not constitute an offer to sell or solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to a U.S. Person unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.*
